Hello again fellow Camaro Club Members,

Hope all of you had a great Christmas and a Happy New Year. Most of all I hope all of you are safe and looking forward to 2007.

Please remember we will be electing officers for 2007 at the next meeting. At this time we have people for President, Vice President and Treasurer. Again if anyone is interested in the Secretary position please let me know. We really need to fill this officer position.

This is the last letter I will be writing, and I want to thank all the members for standing behind me for the past 3 years. I have tried to do the best for the club. I know some agreed and some disagreed with the things I have done in 2006. The one thing I wanted to get done before my time was up was to get a set of bylaws written by the club for the club. We were able to get this done. Paul, Sarah, John, & Linda did a great job getting the rough drafts together. As we found out we again had a great car show for the Shrine Kids. Mike and his family have done a great job on this show. As we go forward into the upcoming years I hope the club can continue to prosper as it has in the past. Let's all make sure we give the new officers the support they need to be successful in their job.

The meeting will be at Sonny Hancock Chevrolet Cadillac Dealership on the 18th of January at 7:00 PM. This is our yearly business meeting and hope we have a great turn out for the meeting.

In closing, let's not forget our men and women in our armed forces. Many of them had to spend the holidays in a far away place fighting for our freedom and making this country safe for all of us to have a place to work and play. So please say a Prayer for all of them. Also remember the leaders of this wonderful country; pray that they will some how find the way to make the best decisions for the good old USA.

Again thanks for your support for the past 3 years. Hope to see all of you on the 18th at 7:00 PM.

VP's Corner...

A special thanks to the officers and members who served the club so well in 2006. Special recognition is due Steve DeGroat for reestablishing and maintaining our website, Paul and Sara Cochran for coordinating AutoFair, the Starnes family for coordinating the Christmas Cruise for Kids, Rodney and Janice for their contributions as Treasurer and Secretary, respectively, and the members that supported the club with their dues and participation.

Lastly, a special thank you to Bob for serving as club President four of the last five years. Bob worked very hard for the good of the club and sacrificed personal time and expense. As we said at the Christmas party (where we presented him with a picture frame and plaque commemorating his time as President), thanks, Bob, for your service to the club.

Joe

Vice President
